EXPERIENCE

Kohl's | Bakersfield, CA

Retail Sales Associate: August 2020 - August 2021

- Provide assistance to customers that need help looking for an item and providing input
- Assist in special projects that consist of moving and arranging new merchandise
- Flexible in supporting other departments and backing up registers

Kern County Superintendent of Schools 21st Century Program | Bakersfield, CA

Program Leader: June 2021 - July 2021

- Prepare student supply bags and activities
- Supervise students during recess, lunch, and group activities to ensure students are safe and following school rules
- Take attendance to take into account of students that are not present

Dwight David Eisenhower Transportation Fellowship Program

Fellowship Student: November 2020 - June 2021

- In this fellowship program I am given the opportunity to conduct my own transportation based research project. In my research project I will be conducting the effects of transportation by college students in the quality of air before and during COVID-19.

Youth 2 Leaders Education Foundation | Bakersfield, CA

Program Intern: June 2019 - July 2020

- Provide assistance by inputting data, creating flyers, and answering phone calls
- Offered guidance to students who need help completing FAFSA/DreamAct application
- Inform students and parents the importance of higher education
