OBJECTIVE

To obtain a summer internship in the civil engineering field

PERSONAL SUMMARY

As a second-year civil engineering student, I am looking to gain more work experience, and I am eager to learn and explore the field as a whole. I am a hardworking, motivated, and organized individual. Continuous interactions with customers and engineers from two previous summer internships have made my communication, teamwork, and interpersonal abilities strong. Additionally, I have basic knowledge of important programs such as AutoCAD, ArcGIS, MATLAB, and Microsoft Office. I am excited to be able to apply what I have learned at UC Irvine so far to the real world!

EDUCATION

University of California, Irvine

- Cumulative GPA: 3.159

Crescenta Valley High School, La Crescenta, CA

- Cumulative GPA: 4.297
- Perfect Attendance Award
- CIF Cross Country Team Member, 3 years
- CIF Individual Track and Field, 1600m

WORK EXPERIENCE

Intern

July 2021 – August 2021, City of Glendale Building and Safety Division
